Academic Achievements

- Selected for **Amazon ML Summer School 2025**, among top applicants nationwide for an intensive program on Machine Learning fundamentals and applications.
- Open-Source contributor at **GirlScript Summer of Code 2024**.

Skills Summary

- Programming Languages: C, C++, Python
- Data Science and Machine Learning: NumPy, Pandas, Scikit-learn, Seaborn, Matplotlib
- Web Technologies: HTML, CSS, JavaScript, Bootstrap
- Database Technologies: SQL, MySQL
- Computer Science Fundamentals: Data Structures and Algorithms, Object-Oriented Programming, Operating Systems, Database Management Systems
- Soft Skills: Problem Solving, Communication, Leadership, Teamwork, Active Learning

Work Experience

• Machine Learning Intern @ CodSoft

Jun 2025 – Jul 2025

- Developed ML models for Spam Detection and Customer Churn Prediction.
- Performed data cleaning, preprocessing, feature engineering, and exploratory data analysis.
- Trained and evaluated models using Logistic Regression, Decision Trees, and Random Forest.
- Learned to build ML workflows using Python, Pandas, NumPy, and Scikit-Learn with evaluation.

Projects

- **Customer Churn Prediction Model** | [[Github](#)]

- ❖ Built and optimized a Customer Churn Prediction model using Python and Scikit-learn on 10,000 banking records; achieved 82.25% accuracy and 0.836 ROC-AUC using a tuned Random Forest classifier.
- ❖ Performed detailed EDA and feature engineering, implemented categorical encoding, and applied SMOTE to address class imbalance and improve overall model generalization.

- **Spam Mail Detection** | [[Github](#)]

- ❖ Developed a Spam Mail Detection system using TF-IDF vectorization and Logistic Regression on 5,572 SMS messages; achieved 96.23% test accuracy.
- ❖ Implemented text preprocessing, label encoding, and train-test splitting; transformed raw text into numerical features using TfidfVectorizer.

- **Personal Portfolio Website** | [[Github](#)] | [[Link](#)]

- ❖ Developed a personal portfolio website using HTML, CSS, and JavaScript featuring About, Skills, Projects, and Contact sections.
- ❖ Showcases creativity, technical expertise, and a strong foundation in front-end web development.

Positions of Responsibility *Vistaar*

- **Design Head @ Debating Society, NIT Durgapur**

- ❖ Mentored 200+ students in public speaking and debating through workshops and events, led event organization within the club, and ensured timely completion of all design assets (posters, banners, digital creatives).
- ❖ Served as Organizing Committee Member of, the annual debating fest conducted by the Debating Society, contributing to event planning, branding, and promotional design.

- **Team Captain of the Athletics Team, NIT Durgapur**

- ❖ Led and motivated the team during training sessions, competitions, and events.
- ❖ Worked with management to arrange logistics for travel and participation.

Extracurricular Activities

- Represented school in the **CISCE National Athletic Meet 2019**, participated in the 3000m race and the 4×400m relay and won a Bronze Medal in the relay event.
- Participated in **All India Inter NIT Athletics Tournament 2023** and 2024.
- Achieved **best athlete award** in the Inter Hall competition 2025, bagging three gold medals in my events.
- Hosted and managed multiple college events.
